

Owners Team  
International

## QUALITY POLICY

### OUR PURPOSE

Owner's Team International (OTI) is committed to an operating philosophy based on openness in communication, integrity in serving our customers, fairness and concern for our employees and responsibility to the communities within which we operate. Our vision is to exceed customer expectations for quality, safety, sustainability, cost, delivery and value.

### OUR APPROACH

- Establish a clear commitment to Quality throughout the Project Life Cycle by promoting and committing to ISO 9001 standards;
- Establish and maintain a robust Business Management System (BMS) encompassing information management and processes, communication management and client integration requirements;
- Focused on continual reviews and improvements of the Company BMS;
- Ensure ongoing independent 3rd Party reviews of the Company BMS are undertaken to measure the Company's performance and objectives are being met; and
- Communicate this Policy by using all effective and appropriate resources available within and external to the Company.

### OUR COMMITMENT

The board of Directors endorse and are committed to the continual improvement of the Company BMS. This Policy applies to and will be upheld, by all of Owners Team International's personnel, its consultants, subcontractors and any other entity working under the direction of the Company.
